Hi folks-

Attached is the revised draft of the hornshell final listing rule. Frank, as we discussed today, we are on a tight timeline. I'd like to spend the week of June 19 working on everyone's comments- if I could have your comments by then, it would be super helpful.

Shawn, if you'd like to review more in depth now is your chance. Do you want me to put it in DTS now, or wait til after the comments come in? I'd like to share it with Seth and anyone else sooner rather than later, so please advise. I'll be in the office Monday morning before flying out to Laredo.

Thanks all for your flexibility.

Susan
